Checking the status of a DBS check

Jagriti Patwari - 2026-11-13 - Comments (0) - Individual DBS Check Orders

You can also track the status of the check via our website by following the below link: https://www.onlinedbschecks.co.uk/dbs-tracking/

Note

The police can hold the check for up to 60 working days, and if they exceed the 60 working days, we can then escalate this with the Disclosure and Barring Service. Whilst the check is being held for less than 60 days, the check cannot be escalated.
