## How do I check my own DBS status?

Ramya Sehmi - 2026-06-24 - [Comments \(0\)](#) - [Encyclopedia of screening terms](#)

You can check your own DBS status by logging into your DBS Update Service account at [gov.uk/dbs-update-service](https://gov.uk/dbs-update-service). You'll see the current status of your certificate and any alerts that a change has occurred.
