How do I check someone's right to work in the UK?

Ramya Sehmi - 2026-05-09 - [Comments \(0\)](#) - [Encyclopedia of screening terms](#)

There are three ways: a manual document check of the original passport or visa, a Home Office online Right to Work check using a share code, or an Identity Document Validation Technology (IDVT) check via a certified digital identity service provider for British and Irish citizens such as Eurocom CI.
