How long is a DBS check valid for?

Ramya Sehmi - 2026-06-11 - [Comments \(0\)](#) - [Encyclopedia of screening terms](#)

A DBS certificate has no official expiry date. However, most employers treat it as valid for 6 to 12 months, and many have policies requiring checks to be renewed every 1 to 3 years. The DBS Update Service can be used to keep Standard and Enhanced certificates current.
