How much does background screening cost?

Ramya Sehmi - 2026-06-26 - [Comments \(0\)](#) - [Encyclopedia of screening terms](#)

UK background screening costs vary by package. A simple identity and Right to Work check may cost £20-£40. A DBS-only check is around £21.50-£72. A full pre-employment screening package typically ranges from £80 to £300 per candidate.
