What is a BRP?

Ramya Sehmi - 2026-06-11 - [Comments \(0\)](#) - [Encyclopedia of screening terms](#)

A Biometric Residence Permit (BRP) is a physical card that proves a non-UK national's right to be in the country. Most BRPs expired on 31 December 2024 and have been replaced by eVisas, though holders retain their underlying immigration status.
