What is an Enhanced DBS with barred list check?

Ramya Sehmi - 2026-05-09 - [Comments \(0\)](#) - [Encyclopedia of screening terms](#)

An Enhanced DBS with barred list check is an Enhanced DBS that also checks whether the applicant appears on the Children's Barred List, the Adults' Barred List, or both. It's required by law for anyone engaging in regulated activity with children or vulnerable adults.
