What is BS7858?

Ramya Sehmi - 2026-06-24 - [Comments \(0\)](#) - [Encyclopedia of screening terms](#)

BS7858 is the British Standard for security screening. It sets out the vetting procedures for individuals working in environments where the integrity, safety or security of assets, information or people could be at risk. The current version is BS7858:2019.
